IDEAS FOR USE Build-A-Quiz

Teachers at all levels take pride in developing meaningful content – high in quality and memorable for students. Build-A-Quiz is just the right tool for teachers who like to write their own materials.

With Build-A-Quiz, you'll find it easy to enhance your curriculum and customize your students' experience of CatholicQuiz.com. Teacher-written Q+A on CatholicQuiz.com are great for reinforcement, review and assessment. Get started today!

Support key areas of your curriculum. Develop Q+A to reinforce:

- Special project learning
- Textbook and supplemental reading sources
- Content delivered through video and other media

Keep your students focused on the most important content. Develop Q+A to create:

- Test prep materials and study guides
- Weekly reviews

Create a nearly painless final review process. Develop Q+A so that students can play a growing body of questions throughout the year for reinforcement.

Organize weekly or monthly challenges with in-class team play using the Teacher Q+A game. It's a great way to earn rewards!
