Boys vs. Girls! Divide the class by gender and play in teams or random one-on-one challenges. Mix it up anyway you choose and have some fun!

Get Ready for Teams! If you have fewer than 35 students in your class, assign unused student spaces in your Classroom Scorekeeper with team names. If there are enough spaces, plan for a number of different options: Boys vs. Girls; Red/Yellow/Blue/Green; Saints/Cardinals/Bishops/Friars, etc.

Divide and Conquer! Break up a big group into halves – half can participate in a mini-lecture or group discussion while the other half plays CatholicQuiz.com. Switch back and forth to keep their bodies moving and their interest high.

¿Habla Español? Play across the curriculum – CatholicQuiz.com in Español allows your students to build their Spanish/English religion vocabulary.

What's for Lunch? Create a CatholicQuiz.com lunch club for students of all ages.

Weekend 100 Students who play over the weekend and return on Monday with at least 100 new CQ-IQ points win a prize. Teacher's choice!

Power to Choose Table Point champions choose Knowledge Categories and game selection on the next round of CatholicQuiz.com.

Enrich, Review and Reward Reward students who complete in-class assignments promptly with independent play on CatholicQuiz.com. Now that's motivating!

Connect to Primary Sources Play Cardinal Challenge, Jacob's Ladder or Prince of Peace and demonstrate how easy it is to locate references in the print versions of the Bible and the Catechism of the Catholic Church. It would be a great hands-on demonstration by the teacher. Or, you can organize the classroom into groups and give each group a copy of the Catechism and Bible. Ask students to practice locating references in those texts.
